It was ok, but far from the best movie.

It was too violent which kind of made it less scary.

The doll was creepy enough and with the movie and lighting it made it suspenseful and scary,

but I think that it would be too much for someone under 15.

Great movie, Not suitable for tweens and kids.

At first he thinks his dad is so cool and a awesome role model. But the truth slowly unfolds. Now there are some things I need to mention, this title has a lot of swearing, Violence, Drugs, and sexual references.
