ADOPTING SILENT WAY IN TEACHING ENGLISH LANGUAGE ...

The Silent Way is characterized by its focus on discovery, creativity, problem-solving and the use of associated materials. Richards and Rodgers (1986:99) summarizes the method into three major features: Learning is facilitated if the learner discovers or creates. It is based on the idea that language learning can be enhanced in three main ways: discovery rather than teaching; problem-solving in the target language; the use of physical tools. Above all, like Victorian children, the teacher should be seen and not heard.
